

# REVOLUTIONARY

Easter Weekend 2023

**Jesus was no revolutionary...**

**Yet his impact is nothing less than revolutionary.**

Jesus revolutionized Culture.

Jesus revolutionized Medicine & Care.

Jesus revolutionized respect for Women.

Jesus revolutionized the dignity of Children.

Jesus revolutionized Education for all.

Jesus revolutionized the realm of Science.

**His greatest revolution is in our hearts.**

*"Jesus performed many other signs in the presence of his disciples, which are not recorded in this book. But these are written that you may believe that Jesus is the Messiah, the Son of God, and that by believing you may have life in his name."*

John 20:30-31

*"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."*

John 3:16

## A prayer...

Lord Jesus, I realize now that you are so much more than what I thought. You are the Son of God, my only hope of life forever. Thank you for living a perfect life, paying the punishment for my sin through your death on the cross, and rising again so that I too may have life to the fullest now and forever. My life is yours, God. Have your way in me.

Amen.
