- Have completed the Visitation Team orientation.
- Agree to regularly make contact with assigned individuals
- Agree to attend team meetings

PROCEDURES

1. Requests are made through the office, digital form or pastor's recommendation.
2. The Team Leader receives an email of the need, evaluates and assigns the need to a team member.
3. Visitation Team members receive the referral and pertinent details.
4. Team Leader updates the tracking spreadsheet.
5. Visitor makes contact with the individual to schedule a visit.
6. Visitors communicate with their Team Leader if there are issues or an incident with the individual including other needs such as meals, transportation or prayer.
7. Visitors track their visits in the Visitation spreadsheet.

We exist to glorify God by guiding people into a growing relationship with Jesus Christ. We are the well where people from various backgrounds experience a life-giving encounter with Jesus and ripple outward, carrying the Gospel

8. Ongoing long-term visitation involves two contacts per month. One may be a call, card, text or email. The second should be person to person home visit for 30 minutes (longer if desired and appropriate). There is significant discernment in the actual visits. Consider prayer to be a stand part of all visits.
9. Team members will communicate with their team leader if they will be out of town or unable to visit for more than a month.
10. Visitors should terminate a visit and leave immediately if they feel threatened in any form
11. Team members should ask and pray at visits as desired.
